Prof. (Dr.) Tarun Kumar Singhal
Professor (Information Technology)
FORE School of Management, New Delhi, India

Domain Expert
School of Vocational Education (SVE)
Tata Institute of Social Sciences (TISS), Mumbai

Blockchain Enthusiast and AI Neophyte

NAAC Assessor

Brief Profile	An academician with over 29 years of credible experience in teaching, research, consulting, advisory, and training & development domains.

An academician with over 29 years of credible experience in teaching, research, consulting, advisory, and training & development domains.

Presently working as a Professor (Information Technology) with FORE School of Management, New Delhi, India.

Actively involved in designing and delivering Blockchain, Artificial Intelligence, Business Analytics, and Information Technology courses while developing and conducting corresponding assessments.

Serving as Assessor with the National Assessment and Accreditation Council (NAAC), India.

Serving as a Domain Expert with the School of Vocational Education (SVE), Tata Institute of Social Sciences (TISS) Mumbai (An institution of repute declared by the Ministry of Human Resource Development, Govt of India).

Serving as an External Member in the Departmental Research Committee (DRC) of Amity International Business School, Amity University UP, India.

Contributing as a resource person for Value Addition Programs (VAP) for the students and incorporating the same into the curriculum.

Served as a Member of Academic Council (AC) Symbiosis International (Deemed University), Pune.

Served as a Member Board of Studies (BoS) under the Faculty of Management, Symbiosis International (Deemed University), Pune.

Served as an approved Ph.D. Supervisor under the Faculty of Management of Symbiosis Centre for Research & Innovation (SCRI), Symbiosis International (Deemed University).

Supervised five Research Scholars and Co-supervised one Research Scholar toward the award of Ph.D. degrees.

Actively delivered management programs/training programs/executive development programs to corporate executives with Symbiosis Centre for Corporate Education (SCCE) and Symbiosis Centre for Management Studies (SCMS) Noida, Symbiosis International (Deemed University) within India as well as outside India.

Holds Ph.D. Degree in Business Administration, Masters in Software Systems, and a Masters in Mathematics, besides Advanced Diploma in Business Studies.

Holds International Certifications from Coursera, Microsoft, Cisco, and Brainbench, among others.

Has significant experience in consulting, research, publishing, and training & development domains.

Has contributed as a Member of the Board of Advisory/Editors/Referees/Reviewers for various prestigious journals, seminars, conferences, workshops, NGOs, etc.

Has been rated highly by students, peers, and seniors on effective oral, written communication skills and engaging teaching skills.

Has received various awards in recognition of the contribution made to teaching and research at different national & international platforms.

Work History *and* *Appointments*	**May 2023 to till date** **Professor (Information Technology) at FORE School of Management, New Delhi, India.** Participating in teaching and research. Delivering value addition courses to the students. **February 2021 to April 2023** **Professor at the School of Business & Management, CHRIST (Deemed to be University), Delhi NCR Campus, Ghaziabad, Uttar Pradesh, India.** Participated in teaching and research. Delivered value addition courses to the students. **June 2022 to date (Honorary Position - Consultative Nature)**

Domain Expert with the School of Vocational Education (SVE), Tata Institute of Social Sciences (TISS), Mumbai
Facilitating and ensuring high standards in developing and revising the course curriculum/content/syllabus as per the BVoc framework. Suggesting the various skills for which new courses need to be developed and conducted.

June 2018 to February 2021
Professor at Symbiosis Centre for Management Studies (SCMS), Symbiosis International (Deemed University) (SIU), Noida, Uttar Pradesh, India.
Participated in teaching, syllabus design, introducing new programs, research projects, MDP, consulting, and value addition programs.
Contributed as Member Programme Review Committee (PRC) under Symbiosis Centre for Management Studies Noida.
Contributed as a Board of Studies (BoS) member under the Faculty of Management, Symbiosis International (Deemed University).
Discharged responsibilities as an approved Ph.D. Supervisor under the Faculty of Management of Symbiosis Centre for Research & Innovation (SCRI), Symbiosis International (Deemed University).
Actively delivered management programs to corporate executives enrolled with Symbiosis Centre for Corporate Education (SCCE), Symbiosis International (Deemed University), and other corporate houses.

June 2016 to May 31, 2022 (Honorary Position - Consultative Nature)
Honorary Member at Centre of Excellence, IT Enabled Services (ITES) Vertical, School of Vocational Education (SVE), Tata Institute of Social Sciences (TISS), Mumbai
Tata Institute of Social Sciences (TISS) has incubated a national vocational training university starting as a School of Vocational Education (SVE) operating under its aegis, initially offering certificate courses. With required policy changes, advanced degree programs will also be provided with potential cross-transfers to the academic streams to pursue diploma and degree courses. The training will ensure a seamless transition to reduce dropouts and deliver through a work-integrated approach. The proposed model is demand-driven, leading to assured employability. A joint working group comprised of AICTE and TISS members has been tasked with regular reviews of the program's progress.
Different verticals covered under this program have been comprehensively supported by Centres of Excellence (CoE) (established by TISS-SVE) in various domains.
The CoE represents well-networked field experts from Industry and Academics.
Responsible as an Honorary Member at CoE for IT Enabled Services (ITES) Vertical for vetting the content and pedagogy. Responsible for benchmarking existing and proposed skill levels under the ITES vertical with global standards.
Responsible for accessing emerging skills through linkages with overseas industry partners and training institutions.
Providing guidance and direction to vocational education in ITES vertical.
Approving the detailed syllabus content for courses and appointments of Examination Board Members.

July 2015 to May 2018
Professor at Symbiosis Institute of Digital and Telecom Management (SIDTM), Symbiosis International (Deemed University) (SIU), Pune, India
Participated in teaching, syllabus design, introducing new programs, research projects, MDP, consulting, and value addition programs.
Contributed as a Member of the Institute Research Committee (IRC).

Contributed as a resource person for identifying relevant Value Addition Programs (VAP).

Contributed as a Board of Studies (BoS) member under the Faculty of Management, Symbiosis International (Deemed University).

Discharged responsibilities as approved Ph.D. Supervisor under Faculty of Management of Symbiosis Centre for Research & Innovation (SCRI), Symbiosis International (Deemed University).

Actively delivered management programs to corporate executives enrolled with Symbiosis Centre for Corporate Education (SCCE), Symbiosis International (Deemed University).

Had discharged additional responsibility of Associate Dean-Academics at the university level (SIU) concurrently from August 2015 to May 2016.

Was responsible for the overall academic administration of seven faculties, 30 constituents/departments, and more than 70 programs of the university. Was specifically responsible for the preparation of the Academic Calendar, approval & revision of Course Catalogues and Programme Structures, the conduct of Academic Audit, Credit Equivalence of students going for the Global Immersion Programme, BoS Meetings records, the conduct of Deans Council meetings, communication of academics related matters, policies, and guidelines to the constituents/departments of Symbiosis International (Deemed University), Pune.

Was also responsible for preparing various reports indicating the overall effectiveness of academic programs being run by the university.

February 2014 to July 2015
Professor & Dean Academic at Integrated Academy of Management & Technology, Ghaziabad
Was responsible for the overall academic administration of UG & PG (Management and IT) Courses. The responsibilities included syllabus design and approval, workforce planning, subject allocations, timetables administration, guest lectures, faculty performance appraisals, internal/external evaluations, and results analysis. Additional responsibilities included imparting value addition courses, tie-ups with external agencies for mutually beneficial relationships, assistance in training & placement activities, and industrial visits.

October 2009 to January 2014
Professor & Dean (IT) at Integrated Academy of Management & Technology, Ghaziabad
Was responsible for the overall academic administration of UG & PG (IT) Courses. The responsibilities included workforce planning, subject allocations, timetables administration, guest lectures, faculty performance appraisals, and results analysis. Additional responsibilities included imparting value addition courses and assistance in training & placement activities.

April 2001 to September 2009
Associate Professor & Assistant Dean (IT) at Integrated Academy of Management & Technology, Ghaziabad
Was responsible for the overall academic administration of UG & PG (IT) Courses under the supervision of Dean Academic. The responsibilities included subject allocations, timetables administration, and results analysis. Additional responsibilities included assistance in training & placement activities.

January 2000 to April 2001
Manager (Business Development) at The InfoTech Division (EPSIL), Ghaziabad

Was responsible for channel development for software products and services in NCR, India. Responsibilities included identifying new resellers, signing MOUs, training and developing resellers, liaising with industrial clients to implement software systems, and implementing agencies for a smooth transition. Additional responsibilities included activity reporting, performance appraisals, and finalization of incentives.

December 1996 to December 1999
Assistant Professor (IT) at Integrated Academy of Management & Technology, Ghaziabad
Was responsible for teaching and timetables preparation. Responsibilities included teaching IT and Management Courses. Additional responsibilities included the preparation of timetables.

April 1994 to November 1996
Assistant Center Manager at Computer Interlinked Training Institute (CITI)
Was responsible for the overall administration of the Institute under the supervision of the Center Manager. Responsibilities included preparing batches based on government personnel's preferences, timetables, faculty coordination, examinations, and the issue of certificates. Additional responsibilities included liaison with government agencies and conducting awareness seminars.

Consulting Assignments	IT Consultant, January 2002 to present Harivatsal Clinics & Institute for Research in Homeopathy, Ghaziabad

Finalized the System Requirement Specification (SRS) for Clinic Automation System. Liaised with the development team for effective communication of expectations of the users. Participated in the trial runs. Imparted training to the users post-implementation. Conducted periodic reviews of the system every six months. Though the project has been successfully commissioned and operational since 2004, I'm still involved in giving consulting services as and when requested. Also, many upgrades have been applied to the system under my supervision.

IT Consultant, October 2000 to January 2001
Edge Solutions Pvt Ltd, Noida
Established the blueprint of the Software Competency Center (SCC). Set the functional matrix with job descriptions for various positions of SCC. Finalized the workforce requirements and selected the competent personnel for SCC. Established the necessary computing infrastructure. Established tie-ups with Government/Non-Government/Private organizations to identify their automation needs and prepared commercial proposals.

IT Consultant, March 2000 to August 2000
Ideal Institute of Management & Technology, Delhi
Established the computing infrastructure and library resources per Guru Gobind Singh Indraprastha University (GGSIP) standards. Finalized the workforce requirements and recruited competent professionals for the same. Assisted in the smooth conduct of inspection by the university authorities.

Y2K Consultant, January 1999 to December 1999
Agarwal & Gupta Chartered Accountants, Ghaziabad
Established the Standard Operating Procedure (SOP) for a smooth transfer of software applications running on obsolete date format (dd/mm/yy). Conducted training for IT professionals associated with many industrial associations in India's National Capital Region (NCR). Led a task force of Y2K engineers for onsite inspections and implementation of corrective steps.

Project Consultant, April 1997 to October 1997
Good Luck Steel Tubes Ltd, Ghaziabad
Finalized the System Requirement Specification (SRS) for the Sales and Invoicing System. Led the development team for the entire Software Development Life Cycle (SDLC). Participated in the trial runs. Imparted training to the users post-implementation. Conducted periodic reviews of the system.

Project Consultant, October 1996 to March 1997
Expert Power System (I) Ltd, Ghaziabad
Finalized the System Requirement Specification (SRS) for Inventory Management System. Led the development team for the entire Software Development Life Cycle (SDLC). Participated in the trial runs. Imparted training to the users post-implementation. Conducted periodic reviews of the system every three months.
