Dr. Singh's contributions to the societal benefits of mankind are beyond speculations. He is associated with **Dr. Kalam International Foundation (DKIF)** as **Vice-President and Head-Research**. DKIF works under the banner of art, culture, research and innovation. Under the tag of DKIF his zeal to bring about change in the world of research in school education has trained many schools students and teachers to work for research and innovation under the guidelines of NEP-2020. Dr. Singh is an inspiration to every young student, teacher and researcher to work in a way that helps the world and brings us closer to the idea of global peace. Furthermore to mention he is affiliated with another NGO named as Prithvi अभ्युदय Association-India (PAAI) A Non-Profit Organization as National Managing Director.

He is an embodiment of passion, perseverance, excellence, critical thinking, and professionalism. He was esteemed to address as a representative of India in **World Peace Summit-2022**. He spoke on **SDG-4 (Quality Education)** in World Peace Summit. His work and publications is a true asset to the world of management. Additionally, his years of experience in teaching and his in-born zeal to educate have revamped his students' lives. He is presently working in advisory board of editors in national and international reputed research journals. He also mentors young teachers to yield quality research under faculty development programme.

Dr. Singh is also actively engaged in leadership tasks that correspond with the breadth of his academic vision and energy. Being an excellent orator, he also chairs, quite frequently, technical sessions in various seminars and conferences across the whole nation. Indeed, Dr. Singh is an academician, author and scholar.

In brief, the outstanding educational and research achievements of Dr. Singh are simply too many to recount within the space of a short citation. Today, the echelon he has attained academically, intellectually, socially and spiritually is even beyond the dreams of majority of the achievers. This erudite scholar's research work and academic excellence promoted various national and international organizations to honor such an inclusive academician. He, truly, is the embodiment of mission and vision of critical thinking, professionalism, excellence and innovation.

May GOD give him more energy and strength in the times to come to achieve new heights!
