BIOGRAPHY

Professor Habib Ullah Khan is a distinguished academician and researcher, currently serving as a Professor of Information Systems at Qatar University. With over two decades of teaching, research, and industry experience across Qatar, UAE, Saudi Arabia, Oman, USA, and the UK, Prof. Khan has established himself as a leading expert in the field. In his role, Prof. Khan effectively manages undergraduate, graduate, and doctoral-level courses in IT, MIS, and General Management. His proficiency in analyzing complex management procedures, coupled with extensive knowledge of Information Systems, enables him to stay abreast of the latest technological developments and their applications in management functions. Known for his exceptional skills in information management, client relations, training, and communication, Prof. Khan thrives in high-pressure environments. He has displayed strong leadership qualities in both customer interactions and the professional development of colleagues. Committed to excellence, he provides stability and growth to students in business and information system environments.

On the research front, Prof. Khan has garnered international recognition, ranking among the top 2% of researchers on the scientific list of Stanford University (MIT) USA since 2021. His research achievements extend globally, placing him in the top 2% of researchers worldwide based on MIT's research data from 1968 to 2023. In 2022, he was honored with the prestigious Research Excellence Award from Qatar University, a testament to his outstanding contributions to academia. Prof. Khan has not only excelled in academia and research but has also demonstrated remarkable success in securing multimillion-dollar grants. His ability to secure substantial funding underscores his proficiency in developing and executing impactful research projects. Prof. Khan's track record of securing such grants speaks to his strategic approach and capability to contribute significantly to the advancement of knowledge in his areas of expertise. This achievement further solidifies his standing as a distinguished academic and researcher making substantial contributions to the field of Information Systems.

Prof. Khan's impact is further underscored by his prolific publication record, with over 160 research papers published in top journals within his areas of expertise. His dedication to advancing knowledge in Artificial Intelligence, Healthcare Information Systems, E-learning, IT adoption, Security, and IoT reflects his commitment to being a leading researcher in his field.

Teaching Interests:

1. Management Information System
2. Application Development
3. Business Programming
4. Web Development
5. Data Communication and Networking
6. Database and Information Management
7. IT Infrastructure and Enterprise Architecture

Research Interests:

1. E-commerce/U-Commerce.
2. Information Security
3. Online Sentiment Analysis
4. User Security Behavior
5. IT Adoption / IT Enterprise Strategies
6. Cloud Computing
7. IoT /IIoT
8. Artificial Intelligence
9. E-learning

EDUCATION

1. PhD, Information Systems. Leeds Beckett University, Leeds, UK., 2008.

TEACHING

Courses Taught at Qatar University

Level	Course
Undergraduate	1. MIST 201, Intro to Management Info Sys. 2. MIST 201, Intro to Management Info Sys15. 3. MIST 304, Data Comm & Networking. 4. MIST 320, Data & Informatio Management. 5. MIST 330, IT Infr. & Enterprise Arch.. 6. MIST 440, Applications Development.

WORK EXPERIENCE

Academic Employment

Duration	Position Summary
March 25, 2021 - Present	Professor of Information Systems, Qatar University, Qatar
October 22, 2015 - March 24, 2021	Associate Professor of MIS, Qatar University, Qatar
September 2, 2012 - October 21, 2015	Assistant Professor of MIS, Qatar University, Qatar
2007 - 2012	Associate Faculty Positions, EMBA Accreditation)
2007 - 2012	Associate Faculty Positions, Hamdan Bin Mohammed E-University Dubai
2007 - 2012	Associate Faculty Positions, University of Liverpool
2007 - 2012	Associate Faculty Positions, University of Walden
February 2011 - August 2012	Assistant Professor of MIS, Al-Yamamah University
August 2009 - January 2011	Assistant Professor of MIS, University of Dubai (AACSB Accredited)

AWARDS AND HONORS

Merit

1. QU Merit Award for Outstanding Faculty, QU. (September 10, 2025). QU Merit Award for Outstanding Faculty year 2025
2. Project Award (Third Position in QU) Summer Research Internship Program 2023 Competition, Qatar University Young Scientists Center (QUYSC). (October 4, 2023). Dr. Habibullah Khan and his team's outstanding achievement in securing the third-place position for their research project during the Summer Research Internship Program 2023 (SRIP23), hosted by Qatar University Young Scientists Center (QUYSC) in collaboration with the QU Office of Research and graduate studies.
3. UREP Competition Winner 2022, Qatar Foundation. (October 18, 2022). My UREP 21 students got the third position in the whole of Qatar in Qatar Foundation Research Competition.
Scholarship/Research
4. Article Top Citation Award, Wiley. (March 18, 2025). The published article got a top citation reward

5. Top 2 percent Researcher 2024, Stanford University USA. (September 17, 2024). Among the top 2% of researchers of Stanford University USA list 2024
6. Whole Career Based Top 2 percent Researcher Year 2024, Stanford University USA. (September 17, 2024). Whole Career Based among the top 2% of researchers of Stanford University USA list 2023
7. Whole Career Based Top 2 percent Researcher Year 2023, Stanford University USA. (October 5, 2023). Whole Career Based among the top 2% of researchers of Stanford University USA list 2023
8. Top 2 percent Researcher 2023, Stanford University USA. (October 4, 2023). Among the top 2% of researchers of Stanford University USA list 2023
9. Top 3% Scientist Qatar University Based on last 6 Years i10 Index, AD World Scientist and University Rankings 2023. (August 2023).
10. Top 3% Scientist World Wide Based on last 6 Years i10 Index, AD World Scientist and University Rankings 2023. (August 2023).
11. Best Scientist (Number 1) Banking and Insurance in Qatar, AD World Scientist and University Rankings 2023. (June 2023).
12. Best Scientist (Number 1) Banking and Insurance in Qatar University, AD World Scientist and University Rankings 2023. (June 2023).
13. Best Scientist (Number 1) Economics & Econometrics in Qatar University, AD World Scientist and University Rankings 2023. (June 2023).
14. Best Scientist (Number 1) Economics & Econometrics in whole Qatar, AD World Scientist and University Rankings 2023. (May 2023).
15. Top 2 percent Researcher Year 2022, Stanford University USA. (October 10, 2022). Among the top 2% of researcher of Stanford University USA list 2022
16. Research Excellence Award 2022, Qatar University. (October 3, 2022).
17. Outstanding Scientist Award for 2016, Venus International Foundation. (December 3, 2016). Venus International Foundation is leading professional organization. It is collected application for yearly award in different categories and after screening from committee they nominate one winner in each field of research. I got above award in the research of MIS area.
